In the diagrams below, Color A = Pink,
Color B = Yellow, and Color C = White.

Assembly Instructions:

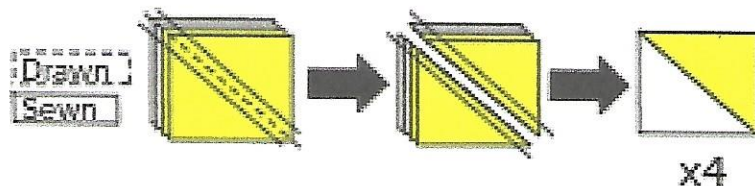

1) Layer 4 color C 4 1/4" squares over 4 color A 4 1/4" squares right sides together. Draw a diagonal line across, splitting the square into two equal triangles. Sew 1/4" above and below the dotted line. Cut apart ON the diagonal line to form two half square triangles. Open them up and press them to the darker color. Trim them to 3 1/2" squares.

2) Using TWO color A 4 1/4" squares and TWO color B 4 1/4" squares, repeat step one. End with 4 this time, not 8.

3) Using TWO color B 4 1/4" squares and TWO color C 4 1/4" squares, repeat step one. End with 4 this time, not 8.

4) Arrange all 16- 3 1/2" squares as shown in the finished diagram at the top of the page, and sew together. When laying it out, it might help to start with the pinwheel in the middle, then the color B squares, then the corners.

We suggest that you make two blocks. Keep one each month and you will have 9 to make a quilt by June. Submit the other one at the next meeting to the block raffle. Winner takes all each month! No need for another quilt? Stitch up the blocks into a quilt to donate to the Comfort Guild committee! We look forward to seeing your beautiful blocks! Katy & Sue
