

Fireworx

Cut 4 - 4.5" x 2.5" from color 1 (BLUE)

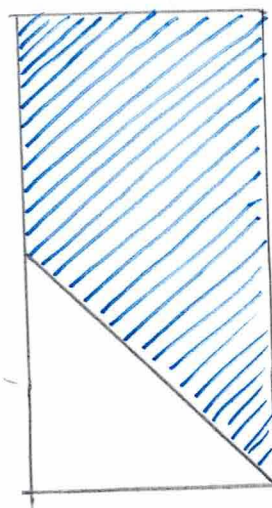

Cut 4 - 4.5" x 2.5" and 4 - 2.5" x 2.5" from color 2 (WHITE)

Cut 4 - 2.5" x 2.5" from color 3 (RED)

Lay color 2 (white) square on bottom half of color 1 (blue) rectangle

Stitch diagonally from top left corner to lower right corner of the square.

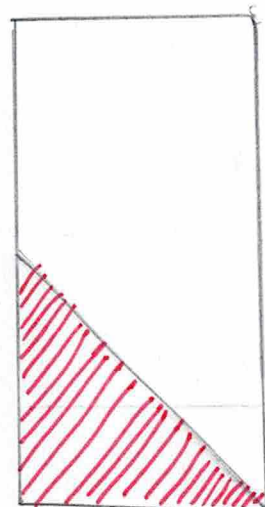

Trim seam and press (make 4) "these are piece 1"

Lay color 3 (red) square on bottom half of color 2 (white) rectangle

Stitch diagonally from top left corner to lower right corner of the square.

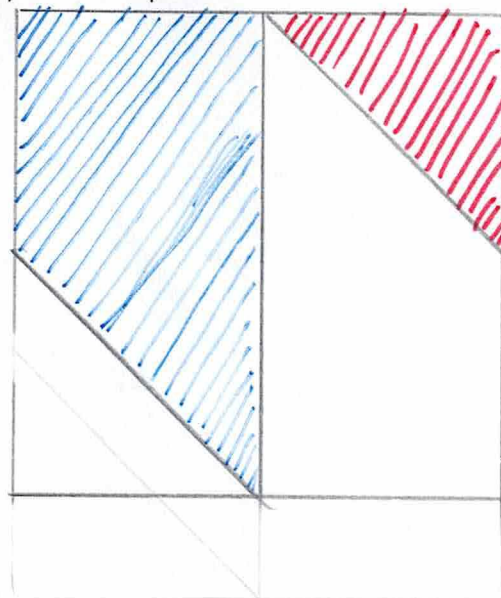

Trim seam and press (make 4) "these are piece 2"

Lay piece 1 right side up with triangle toward the bottom.

Lay piece 2 face down with triangle toward the top, on top of "piece 1"

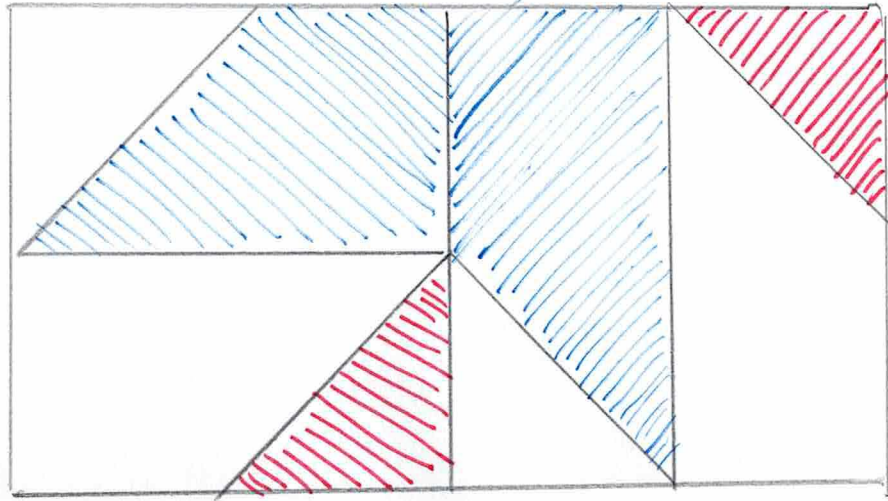

Sew seam down the right side of the rectangle. Press open (make 4) "these are piece 3"

Place one "piece 3" face up with center seam lying from left to right and white/red piece along the bottom.

Lay another "piece 3" face down but with center seam lying from top to bottom with white/red piece toward the left.

Stitch a seam along the right side. Press open. (make 2) "these are piece 4"

Lay one "piece 4" face up with color 1 (blues) toward the right.

Then lay second "piece 4" face down also with color 1 (blues) toward the right.

Stitch seam along right edge. Press open.

Unfinished block is 8.5" (finished 8")
