

Recipe for block:

Cut from color fabric

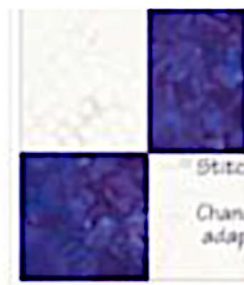

Center square is 3 1/2" by 3 1/2"

Two corner squares are 2" by 2"

Background: Cut from white/cream

two strips 2" by 3 1/2"

two strips 2" by 5"

You can easily make these larger, begin with the center square and do the math:)

I think they would be good in Christmas fabrics even.

Happy stitching.
