** Preparing the Pieces and Sewing the Block **

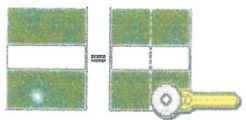

Start by marking and cutting the Color 2 and Color 3 5-1/4" x 10-1/2" strips into two 5-1/4" squares of each. Stack these and cut them on both diagonals to make eight quarter square triangles of each...

Now sew together the Color 1 2" x 16", the Color 3 1-1/2" x 16" and the Color 3 2" x 16" strips along one long edge in a scant 1/4" seam allowance. Press seams to darker side. Mark and cut this at 2" intervals...

Next sew together the two Color 3 2" x 7-1/2", and one Color 1 1-1/2" x 7-1/2" strips along one long edge in a scant 1/4" seam allowance. Press seams to darker side. Mark and cut this at 1-1/2" intervals...

Then sew together the two Color 1 2" x 4" and one Color 3 1-1/2" x 4" strips along one long edge in a scant 1/4" seam allowance. Press seams to darker side. Mark and cut this at 2" intervals...

Using strips from the first and second strip sets we cut, make four of the block's corner units...on to Page 2!

Dorothy's Star - Page 2

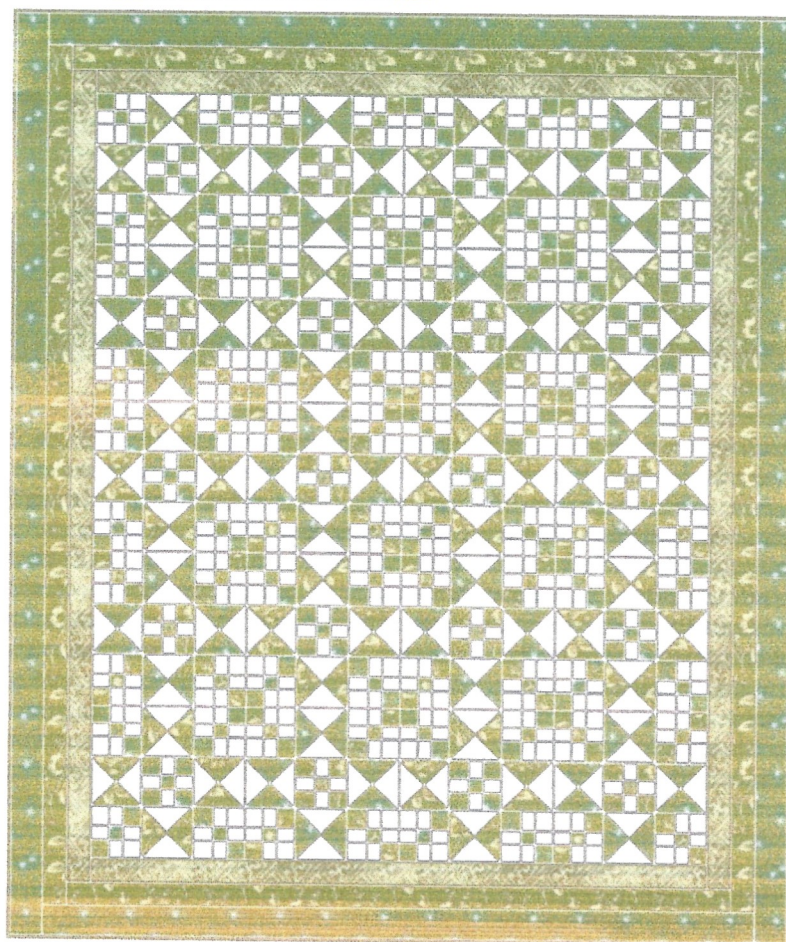

Using two strips from the third strip set we sewed and one from the second set, sew one center unit as shown at left...

Now sew four of each of the quarter square triangle pairs shown at far left. Join them to make the block's four side units...

Lay out all your units as shown at left. Press row seams in alternating directions. Sew three horizontal rows. Join those rows, and the block is complete! :o)

Here are four blocks by five, with alternate blocks in alternating color arrangements!
