

NOVEMBER BOM GUIDELINES

FALLING LEAVES

This month we will be making two 4 ½" blocks with a leaf pattern using Fall-ish Batik scraps.

Please make two leaves.

Options:

1. Two 2"x2" blocks can be substituted for the single "D" rectangle of 2"x3 ½"
2. The two "F" squares can be cut to 1 ½"x1 ½" to make a thinner stem

The lucky winner can use them to create anything but we have an idea that coasters would be fun.
