

Herring Run November 2017 Block of the Month

due at the December meeting

Finished Block Size: 10 1/2"

Fabric required: light background - 11" square
Gingerbread man fabric in brown or tan or ?

This is a "use your imagination and creativity" to decorate this gingerbread man. He can have features or not, he can have a tie or not, etc. Make a few little ones together or one large, you decide.

You can appliqué any technique you like. Just have some fun.
